Risk Management

All Queensland School Sport events require a risk management process to be performed prior to the event commencing. This process is the responsibility of the teachers involved with the activity.

Principals and teachers should be aware that there are in effect three risk assessment areas as identified by the Department:

- Curriculum Activity Risk Assessment (CARA) for the particular sport completed by the Team Coach
- Representative Sports Event Team Manager completed by Team Manager
- Representative Sport Event Convenor completed by Convenor.

Risk Management: Representative Sports Event	The following table summarises the risk
management process and who has the associated responsibilities
